

1. Moving logo is not Required Instead can we make it a watermark in the first page. If keeping the logo as watermark looks odd then the logo can be removed. Also extend the text to right side.

2. Text changes
 - a. – **HR Consulting and Solution** to “People & Performance Solutions”
3. Text Change-“Transforming people systems into business performance” Instead of “**Building Strong Businesses Through People**”
 - a. Sub Heading- We build high-performance workplaces through structured people systems that create accountability and drive flawless execution
4. In our Perspective Session
Under” **HR Is Not a Support Function.It Is a Growth Driver.**
 - a. Text change from “**At 5 Dimensions HR, we partner with businesses to build structure, hire right, and drive performance.**”
To
At 5 Dimensions HR, we partner with businesses to build practical people systems that create accountability, strengthen performance, and enable business growth.

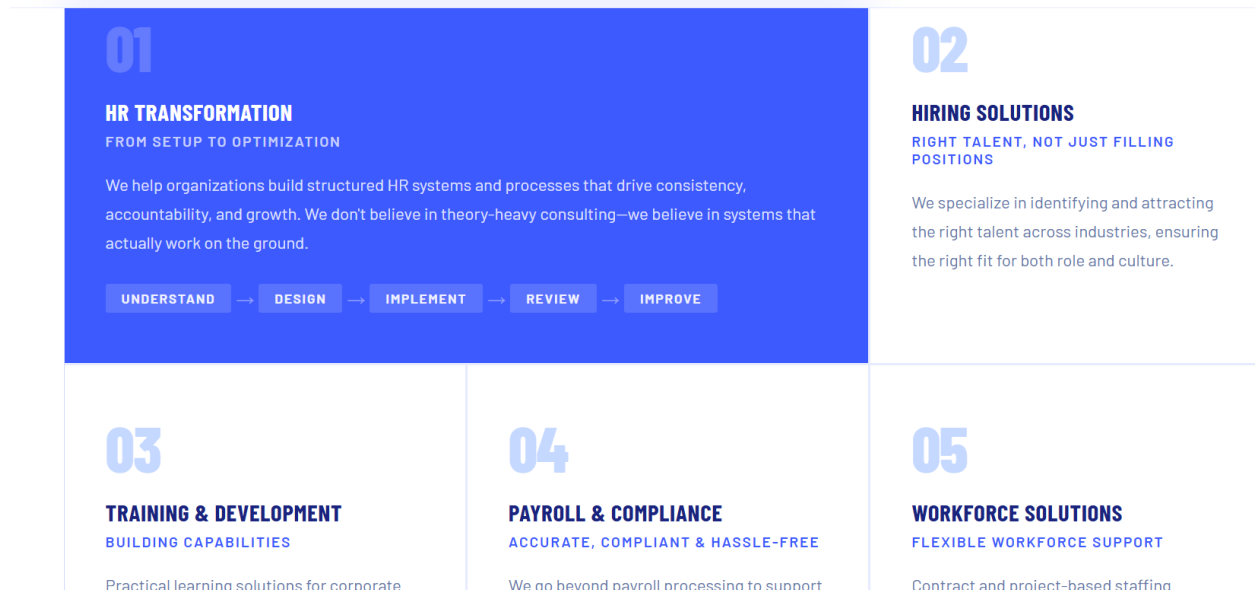

2nd para remains the same

5. Remove Understand- Design process flow from the Our 5 Dimesions Slide- Its already

their in the approach.

6. Can we make 5 dimensions more visually appealing. 01 is highlighted. Can we make all boxes equal size. If we can improve the ux it would be nice. I mean while selecting its colour is turning blue otherwise white.? Its optional only if possible

7. Keep an area below for testimonials and to mention the clientele . Please keep provision. But now testimonials are not available. Keep a provision for future

8. Logo white box is visible. Can we give a white segment where the logo is placed so that it wont looks odd.
